[G!]

We were **[Em]** good, we were **[Am]** gold, kind of **[D]** dream that can't be **[G]** sold
We were **[Em]** right 'til we **[Am]** weren't, built a **[D]** home and watched it **[G]** burn

[Em] I didn't wanna leave you, **[Am]** I didn't wanna lie

[B7] Started to cry, then remembered, I

Chorus

[Em] I can buy myself **[Am]** flowers, **[D]** write my name in the **[G]** sand
[Em] Talk to myself for **[Am]** hours, **[D]** say things you don't under-[**G**]stand
[Em] I can take myself **[Am]** dan-cing, **[D]** and I can hold my own **[G]** hand
Yeah, I can **[C]** love me better **[B7]** than, you **[Em]** can

Can love me better, **[Am]** I can love me better, baby

[D] Can love me better, **[G]** I can love me better, baby

Paint my **[Em]** nails, cherry **[Am]** red, match the **[D]** roses that you **[G]** left
No re-[**Em**]morse, no re-[**Am**]gret, I for-[**D**]get every word you **[G]** said

[Em] I didn't wanna leave you, **[Am]** I didn't wanna fight

[B7] Started to cry, then remembered, I

Chorus

Can love me better, **[Am]** I can love me better, baby

[D] Can love me better, **[G]** I can love me better, baby

[Em] Can love me better, **[Am]** I can love me better, baby

[D] Can love me better, **[G]** I

[Em] I didn't wanna leave you, **[Am]** I didn't wanna fight

[B7] Started to cry, then remembered, I

[Em] I can buy myself **[Am]** flowers, **[D]** write my name in the **[G]** sand

[Em] Talk to myself for **[Am]** hours, **[D]** say things you don't under-[**G**]stand

[Em] I can take myself **[Am]** dan-cing, **[D]** and I can hold my own **[G]** hand

Yeah, I can **[C]** love me better **[B7]** than, you **[Em]** can

Can love me better, **[Am]** I can love me better, baby

[D] Can love me better, **[G]** I can love me better, baby

[Em] Can love me better, **[Am]** I can love me better, baby

[D] Can love me better, **[G!]** I
