

Cover Of The Rolling Stone – Dr Hook

Verse 1: Well we are [A] big rock singers, we've got [A] golden fingers
And we're [A] loved everywhere we [E] go,
We [E] sing about beauty and we [E] sing about truth at [E7] ten thousand dollars a [A] show

We take [A] all kind of pills to give us [A] all kind of thrills,
But the [A] thrill we've never [D] known, is the [E] thrill that'll get you
When you [E] get your picture on the [E] cover of the Rolling [A] Stone

Chorus:

Rolling [E] Stone-----
[A] Stone... wanna see my picture on the cover
[E] Stone... wanna buy five copies for my mother
On the [D] cover of the Rolling [A] Stone wanna see my smilin' face

Verse 2: I've got a [A] freaky old lady called Cocaine Katy who embroiders on my [E] jeans,
I've got my poor old gray-haired Daddy, [E7] drivin' my limou-[A]-sine

Now it's [A] all designed to [A] blow our minds but our [A] minds won't really be [D] blown,
Like the [E]! blow that'll get you when you [E]! get your picture
On the [E]! cover of the Rolling [A]! Stone

Chorus:

Rolling [E] Stone-----...
[A] Stone-----... wanna see my picture on the cover
[E] Stone-----... wanna buy five copies for my mother
On the [D] cover of the Rolling [A] Stone wanna see my smilin' face

Verse 3: We got a [A] lot of little teenage, [A] blue-eyed groupies who [A] do anything we [E] say
We got a [E] genuine Indian guru, who's [E7] teachin' us a better [A] way,
We got [A] all the friends, that [A] money can buy, so we [A] never have to be a-[D]-lone,
And we [E]! keep gettin' richer, but we [E]! can't get our picture
On the [E]! cover of the Rolling [A]! Stone

Chorus x2
