

# Underneath the arches

**F**

Underneath the arches

**G7**

I dream my dreams away

**C7**

Underneath the arches

**F**

On cobble stones I lay

**D7**

Every night you'll find me

**G7**

Tired out and worn

**G7**

Happy when the daylight comes creeping

**Gm**

**C7**

Heralding the dawn

**F**

Sleeping when it's raining

**G7**

And sleeping when it's fine,

**Gm**

**C7 E7 A7**

Trains rattling by a - bove

**D7**

Pavement is my pillow

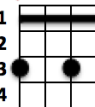

**G7**

No matter where I stray

**Gm**

Underneath the arches

(To end )

**F**

**C7**

**F C7**

I dream my dreams a-way

Play the tune through (whistle)

Repeat from the top
