Intro:

Verse 1

[G] [C]

I left my home one day For the sake of better pay

[G] [D]

In a foreign land 12 centuries back in time

[G] [C]

Where the sun keeps burning down On the hole drilled in the ground

[G] [D] [G] [C]

And I dream of the girl I left behind

[G] [C]

Well I signed on the dotted line And I thought in a few years time

[G] [D]

I'd be home and we could start a brand new life

[G] [C]

But everything went wrong And I just don't know how long

[G] [D] [G]

They will make me stay to pay for my crime

[C] [G] [C] [G] [D]

I Wish I was Rollin' home, rollin' home Home to the place I long to be

[C] [G] [C] [G] [G] [D] [G]

Oh, oh, rollin' home, rollin' home There's someone waiting there for me

[C/] [C/] [G] [D] [G] [G]

Verse 3

[G] [C]

There's a law that rules this land That I just didn't understand

[G] [D] [D]

I didn't know that I was doing wrong

[G] [G] [C]

But they don't see to care They all do it they're over there

[G] [D] [G]
But here your face is justice of their God
