[ F ] If I was an [ C ] astronaut, I'd be [ G ] floating in mid-[ Am ]-air

To [ G ] someone else down [ Am ] there  
[ F ] I would be the [ C ] centre of my [ E7 ] lonely uni-[ Am ]-verse  
But I'm only [ F ] human and I'm [ Fm ] crashing down to [ C ] Earth

'Cause I'm only [ F ] human with the [ Fm ] real world on my [ C ] mind
