[C] From the great Atlantic ocean to the wide Pacific **[F]** shore
From the **[G7]** green and flowing mountains
through the hills and by the **[C]** shore

[C] She's mighty tall and handsome and known quite well by **[F]**
all

She **[G7]** is the combination on the Wabash Cannon-**[C]**ball

[C] She came down from Birmingham one cold December **[F]** day
As she **[G7]** rolled into the station you could hear the people **[C]** say

[C] This train's a wondrous vision, she is long and she is **[F]** tall
She **[G7]** came from Birmingham on the Wabash Cannon-**[C]**ball

[C] Our eastern states are dandy so the people always **[F]** say
From **[G7]** New York to St Louis and Chicago by the **[C]** way

[C] From the hills of Minnesota where the rippling waters **[F]** fall
No **[G7]** changes can be taken on that Wabash Cannon-**[C]**ball

[C] Here's to Daddy Claxton may hisname forever **[F]** stand
And **[G7]** always be remembered round the ports of Ala-**[C]**bam'

[C] His earthly race is over and the curtains 'round him **[F]** fall
We'll **[G7]** carry him home to Vict'ry on the Wabash Cannon-**[C]**ball

[C] Now listen to the jingle, the rumble and the **[F]** roar

As she **[G7]** glides along the woodlands through the hills and by the **[C]** shore

[C] Hear the mighty rushing engine, hear the lonesome hobos **[F]** call

You're **[G7]** traveling through the jungles on the Wabash Cannon-**[C]**ball
