Intro:[D]/// [A]/// [D]/// [A]/// [D]/// [A]/// [D]/// [G] [D]//

[D] I know you're leaving, it's [G] too long [D]overdue,
[G] for far too long I've had [G] nothin' new [D] to show to you.
[D] Goodbye dry eyes, [C] I watched your plane
[G] fade off west of the [D] moon,
and it [D] felt so [Bm] strange [A] to walk away a[D]lone.

Chorus:

[D] [A] [G] [D] There's no regrets,
[D] [A] [G] [D] no tears goodbye,
[D] [A] [G] [D] I don't want you back,
[D] [A] [G] [D] we'd only cr[D] [A] [G] y again,
Say good[C]bye [D] again.

[D] The hours that were [G] yours echo like [D] empty rooms,
[G] the thoughts we used to share I now [D] keep alone.
[D] I woke last night and [C] spoke to you [G]
[D] not thinking you were gone,
[D] and it felt so [Bm] strange [A] to lie awake [D] alone [G] [D]

Chorus

[D] Our friends are [G] trying to turn my [D] nights to day,
[G] strange faces on your place can't keep the [D] ghost away.
[D] Now just beyond the [C] darkest hour [G] and just behind the [D] dawn,
[D] it still feels so [Bm] strange [A] to lead my [D] life alone

Chorus

Instrumental:

[D] Our friends are [G] trying to turn my [D] nights to day,
[G] strange faces on your place can't keep the [D] ghost away.
[D] Now just beyond the [C] darkest hour [G] and just behind the [D] dawn,
[D] it still feels so [Bm] strange [A] to lead my [D] life alone

Chorus
