[G] You're on the phone with your **[G]** girlfriend, she's up-
[D]set

She's going off about **[D]** something that you **[Am]** said
'Cause she doesn't get your humor like **[C]** I do **[C\]**

[G] I'm in the room, it's a typical Tuesday **[D]** night
I'm listening to the kind of music she doesn't **[Am]** like
And she'll never know your story like **[C]** I do

But **[Am]** she wears short skirts, **[C]** I wear T-shirts
[G] She's cheer captain and **[D]** I'm on the bleachers
[Am] Dreaming about the day when you **[C]** wake up and find
That what you're **[D]** looking for has been here the whole time

If you could **[G]** see that I'm the **[G]** one who understands you
[D] Been here all a-**[D]** long, so why can't you **[Am]** see-ee-ee?
You belong with **[C]** me, you belong with **[G]** me

[G] Walkin' the streets with **[G]** you and your worn out **[D]** jeans
I can't help thinking this is **[D]** how it ought to **[Am]** be
Laughing on a park **[Am]** bench, thinking to my-**[C]**self
[C] Hey, isn't this easy
And **[G]** you've got a smile that could **[G]** light up this whole **[D]** town
I haven't seen it in a **[D]** while since she brought you **[Am]** down
[Am] You say you're fine, I know you **[Am]** better than that
[C] Hey, whatcha doing with a girl like that

[Am] She wears high heels, **[C]** I wear sneakers
[G] She's cheer captain and **[D]** I'm on the bleachers
[Am] Dreaming about the day when you **[C]** wake up and find
That what you're **[D]** looking for has been here the whole time

If you could **[G]** see that I'm the **[G]** one who understands you
[D] Been here all a-long, so why can't you **[Am]** see-ee-ee?
You belong with **[C]** me-ee-ee

[G] Standing by and **[G]** waiting at your back door
[D] All this time how **[D]** could you not know, ba-**[Am]**by
You belong with **[C]** me-ee-ee, you belong with **[G]** me

[G] Standing by and waiting at your back door
[D] All this time how could you not know, ba-**[Am]**by

You belong with [C] me [G]

Oh, I remember you [Am] drivin' to my house
In the [C] middle of the night
I'm the [G] one who makes you laugh
When you [D] know you're about to cry
I [Am] know your favorite songs
And you [C] tell me 'bout your dreams
Think I [G] know where you belong
Think I [D\] know it's with me

Can't you [G\] see that I'm the [G\] one who understands you
[D\] Been here all [D\] along, so why can't you [Am\] see?
You belong with [C] me-ee-ee

[G] Standing by and [G] waiting at your back door
[D] All this time how [D] could you not know, ba-[Am]by
You belong with [C] me-ee-ee, you belong with [G] me

You belong with [D] me
Have you ever thought just may-[Am]be-ee-ee
You belong with [C] me-ee-ee, you belong with [G\] me
