Key of Dm

INTRO

[Dm] [G] [Dm] [G] [Dm] [G] [Dm] [G]

[Dm] [Am] [Dm] [Am]

All I'm wanting is that new life To begin at last

[Dm] [A] [Dm] [G]

Cos when I run I'm roaming freely From all that stuff that's past

[Am] [F] [C] [G]

Home is the trace of those lives we leave behind

[Am] [F] [C] [G]

And home is the place that I yearn for all the time

[F] [C] [F]

But I can't look back Times are changin'

[F] [C]

Yeah yeah

[F] [G] [F]

No I won't lose track No rearranging

[C]

Yeah yeah

[Am] [G] [F]

You know that I must follow Dreams are callin' me

[F] [C]

Yeah yeah

[F]

So I'm leavin'

[F] [F]

So I'm leavin' So I'm leavin'

[Dm] [Am] [Dm] [Am]

Now I'm finally under standing Freedom is what I control

[Dm] [A] [Dm] [G]

To own myself and my decisions Feel the rush of letting go

[Dm] [Am] [Dm] [Am]

Change distracts from what you're missing I don't have time to cry

[Dm] [A] [Dm] [G] [Dm]

But when I'm calm I take a deep breath Think back on all my good byes

[Dm]

All of my goodbyes
