

Living Lockdown Life (with apologies to Crystal Chandeliers)

Chorus:

 C G7
We used to have a very different way of living life
 C
Before the virus lockdown, caused us all this strife

but will the life we had,
 C7 F
that used to make us glad, return once more.
 C G7 C
Or will this lockdown life be the only way, for sure.

C G7
Making the best of life is now, what we do,
 C
Finding joy in the little things, hey who knew
 C7 F
Gardening, jigsaws, cleaning, chatting on the phone
 C G7 C
Would be our normal life, because we stay at home

Chorus:

C G7
The pubs and restaurants they are now out of bounds,
 C
So with our ukuleles we'll make brilliant sounds.
 C C7 F
Our hair might look a mess, but do we really care
 C G7 C
No, we've found a great Hug friendship we can share.

Chorus:

Repeat last 2 lines:

This lockdown life won't be the only way, for sure.
This lock down life won't be the only way, for sure.
